Hi Cheryl,

Thank you for looking at it and verifying this. I appreciate it.

You are correct, they were not willing to send me the addresses.

Have a good day,  
Jenny

Hi Jennifer:

Yes, same data I received from the county. It looks like on the excel spreadsheet they removed the addresses on where they collected the information, but other than that the data looks the same.

Hi All,

I believe this is the same County data we already have. I will call UW-SP tomorrow and figure out what their role is with the County data. I think they have been running a sampling program there for years.

Thank you,  
Jenny

Jenny,

Attached is an excel file and map. I believe it is the same information that you received from Juneau County.

Please let me know if you have any questions.

Regards,

Kevin
